

Hako-Hamster 650

NEW

For dust-free cleaning of
small and medium-sized areas.

Industrial
Cleaning

Hako-Hamster 650

The advantages at a glance:

Greater sweeping performance, highest degree of hopper filling as well as effective work and long machine life.

- High sweeping performance/capacity thanks to the large main broom
- Maximum hopper filling as a result of overhead throwing principle
- Large side brush overlap when negotiating corners
- Powerful dust binding with access to the filter from the clean side, effective filter cleaning device

- Take-It-Easy hopper system for comfortable emptying
- Drive for comfortable handling/operation during long periods of use
- Quiet industrial petrol engine (Hamster 650 V)
- Maintenance-free battery drive with on-board battery charger (Hamster 650 E)
- Swivelling handlebar for easy opening and removal of the dirt hopper/throwing in larger items/debris
- Robust steel frame construction
- Optional: carpet kit for effective carpet cleaning

Technical Data

Hako-Hamster		650 E	650 V
Sweeping width	mm	505	505
With side brush	mm	705	705
Sweeping performance VDMA 24441 without side brush	m ² /h	2.525	2.525
Sweeping performance VDMA 24441 with side brush	m ² /h	3.525	3.525
Dirt hopper volume	litres	35	35
Filter area	m ²	1,6	1,6
Power/output Hamster 650 V	kW	-	3,3
Power/output Hamster 650 E	W	600	-
Battery system Hamster 650 E	V/Ah	12/70	-
Sweeping speed	km/h	5,0	5,0
Weight, ready for operation	kg	130	100
Width	mm	685	685
Length (with folded handlebar)	mm	1.100	1.100
Height (with folded handlebar)	mm	715	715

In the interests of technical progress we reserve the right to alter equipment without prior notice. The machines in the photographs may include special features.

Perfect carpet cleaning and comfortable emptying of the dirt hopper.
