Product Applications

Answer to those “hard floor” questions

Floor Care Accessories

Bassine, Tynex & Nylon (Soft, Medium & Hard) brushes for G-Force & Focus.

Pad Holder & Pad Holder “Short Trim” for G-Force & Focus.

High speed pad for Fusion FX, Deep Scrub Pad and Carpet Bonnet for Focus.

Sandscreen, Driver, Sandscreens (60# - 150# mesh), paper bags for G-Force Sander.

High Speed Burnishing

The speed & power of the direct drive will put a shine on your face and gloss on the floor.

Don't judge the settings judge the floor.

Fusion-FX
Straight Line Burnisher

For the "wet floor look" you can't forget.

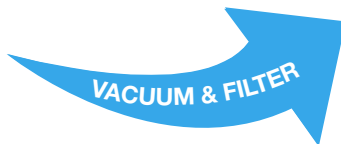

We float the skirt so you don't float in dust.

Power vacuuming eliminates post dust mopping

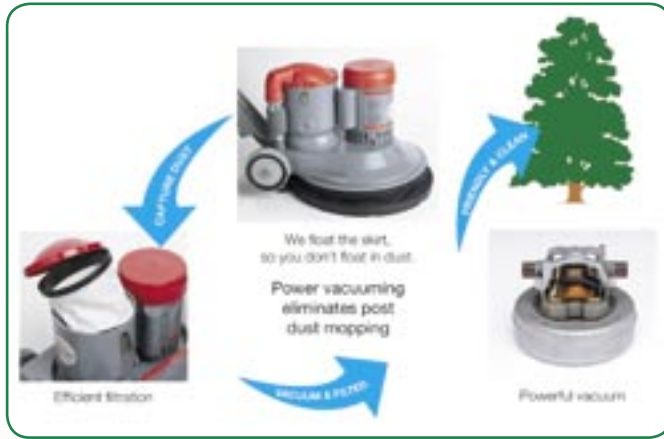

Efficient filtration

Powerful vacuum

Sand, Shampoo, Scrub & Polish

Powerful, silent running, long lasting, belts.

Be amazed at the smoothness of the drive, get excited with savings on maintenance.

Hassle free replaceable dust control skirt.

G-Force Scrubber Polisher

Battles the toughest floors with ease.

To the edge with Focus.

Scrubbing or Shampooing? We turn it on like never before.

Focus

Scrubber Polisher

Compact performance when small is an advantage.

The Ultimate Control

We're a soft touch.

Reduce the training and manage the job.

Ergonomically Designed

because work is meant
to be easy

Take a grip, take full control.

"One height does not suit all". Easy simple
infinite handle adjustment.
